ACLT - Keiro

Please review the questions below and send your responses by the end of the day on **Friday, November 11th, 2022**.

Design

- Can you tell us a little more about your thought process of building 4 buildings instead of 2 or 1.
- Can you explain more about your cross-community planning process and what part of the process are you in?
- Have members of the community already been involved in the design of the project so far?
- What you have learned about from you community engagement so far?

Relocation

- What is the relocation plan for the current residence?
- How long are your service contracts and can we have copies?

Operating/Programming

- In the pre-application you mentioned senior housing but, in your application, there is no mention of senior housing. Have your plans about providing senior housing change? If so, why the change?
- Can you update your bylaws to add a housing mission?

Budget

- We could not locate demolition costs. Could you please tell us where to find these and if not included could you please include them?
